Mission Statement

The purpose of Catholic education at St. Peter in Chains School is to instill the values of the Catholic faith in students so that they not only hear, but also embody and practice the mission of Jesus Christ and spread His message as it applies to life in the twenty first century.

Virtue of the Month: HOPE

Dear Parents,

We have had a wonderful beginning to our school year! There's a sense of excitement, optimism, and HOPE for the future as we begin another year of learning and teaching, "seeking first the Kingdom of God", and making Christ the center of our school. This year, our enrollment has grown to 184 students!

Last year we began using "Virtues in Practice" and acknowledging students with a Virtue Card after our school Masses when they displayed that month's virtue. Last year was the Year of Faith. This 2nd year is the Year of HOPE and the virtue for the month of September is HOPE. "This hope we have as an anchor of the soul, a hope both sure and steadfast." (Hebrews 6:19) Hope is defined as "trusting in God's loving plan". The Year of Hope offers an opportunity to focus on study

skills and vocations. God has designed each of us with gifts and talents and He expects us to do our part to increase the talents He has given us.

The saints known for the virtue of Hope are St. Joseph (grades K-2), St. Elizabeth Ann Seton (grades 3-5), and Sts. Louie and Zelig Martin, who were the parents of St. Therese of Lisieux (grades 6-8). You can find home resources for the virtue of Hope in the Parent Section of our school webpage or by clicking [here](#). Thank you for your commitment to your child's academic and spiritual development and for allowing St. Peter in Chains School the opportunity to assist you in your efforts.

Sincerely Yours in Christ,

Michael Collins
