

ST. PETER IN CHAINS
THE LINK—EXPRESS!
4/26/2018

This year, the Link has been streamlined to be more of a weekly bulletin to give you fast, weekly information. Hence, The Link—Express! We will continue to have the full Link newsletter once a month. Next week we will have a full LINK Newsletter.

Mission Statement:

Help Combat the “Summer Slide”

To succeed in school and life, children and young adults need ongoing opportunities to learn and practice essential skills. This is especially true during the summer months. If you are interested in helping your child combat the “summer slide”, then consider ordering the Summer Solutions Workbooks. These workbooks are recommended for keeping children academically engaged over the summer months. Anyone can use Summer Solutions because everything the student needs is included in the books – lessons, help pages and an answer key. Steps for ordering can be found [HERE](#) or on the website under the “Parent Page/Forms”. **Order before April 29, 2018.**

Pennies for Patients is a program supported by the Leukemia and Lymphoma Society, a non-profit organization dedicated to saving the lives of blood cancer patients. Recently, a member of our SPS community was diagnosed with Leukemia and another who went through treatment for non-Hodgkin’s Lymphoma in 2013. We would like to show our support. To do this, SPS student council will be having a money war between all of the classes with 100% of the proceeds benefiting LLS.

To help your class win start collecting loose change around your home. When you bring the money in, place it in your class’s jar in the cafeteria. Coins are worth their value (ex: a nickel is 5 cents) as points. Dollars can be put in other class’s jars to take away 100 pts from that class. The class that has the most money wins the war and gets a prize. This event will run from Monday, April 23rd through Friday, May 4th. SPS Student Council appreciates your support!

“LLS was a tremendous support system for me when I went through treatment for non-Hodgkin’s Lymphoma. Their copay program helped ease the burden of medical bills while going through treatment. It was a great help to our family and one less thing to worry about.”
