What is Community Service?

Community Service is volunteering to help those in your community. It might be something that is done once or on a regular basis. Community Service is often referred to as "giving back to your community". It can be done by an individual or an organization. Community Service is the giving of your time without being paid, whether it is to help the less fortunate or to help beautify your community.

As children of God, we are called to be of service to others.

"It is more blessed to give than to receive." -Acts 20:35

To live the Word of God, you are required to complete 2 hours of Community Service this trimester. Some examples include volunteering in a soup kitchen, homeless shelter, animal shelter, food pantry, or to mentor, tutor, or visit the elderly.
