

Saint Peter in Chains School

August 31, 2017

Dear Friend of St. Peter in Chains School,

St. Peter in Chains EPIC, our parent-teacher collaboration, will be hosting our 9th Annual Walk-a-Thon, ***Walking on Sunshine***, on Thursday, October 5th, 2017. The success of this event every year is largely credited to our sponsors, who lend their names and financial support to this event. Our goal for the walk this year is \$30,000.

The students of St. Peter's School, which serves the parishes of St. Peter in Chains and St. Julie Billiart, will walk with fellow classmates, teachers, and community members to raise money for our school. By walking we are learning about the benefits of exercise and a healthy lifestyle and also raising money to continue our excellence in education. Along our path, the students will be encouraged to participate in various fitness-themed activities.

Funds from our walk-a-thon have helped to fund a number of significant projects at St. Peter in Chains. Over the past few years, St. Peter in Chains School has successfully created a wireless campus and purchased a large number of Chromebooks for the students, increasing the use of technology throughout the school. All grades and classes are benefitting from this great addition. Funds from our walk-a-thon have been used to broaden the educational experiences available to our students, including field trips to COSI in Columbus and the Indiana Children's Museum in Indianapolis. Walk-a-thon funds also enabled us to hold our 2016 Christmas Program at Miami University's Parrish Auditorium, providing an adequate venue to showcase the hard-work that the students put into this annual event. Finally, these funds have helped with campus beautification projects as we continue to pursue our goal of adding air-conditioning to our school. These improvements at our school continue to provide our students with an educational environment that will allow them to truly ***shine for the world to see!***

By participating as a sponsor, your organization will benefit from exposure through media campaigns and promotional efforts directed toward the supporters of the SPS 9th Annual Walk-a-Thon. We have levels of sponsorship packages as detailed on the enclosed sponsorship commitment form. You can select the level of participation that best meets your needs and be secure in the knowledge that your sponsorship fee will be used to directly help the students of Saint Peter in Chains School.

We are counting on your support and are happy to answer any questions you may have. Please return your sponsorship commitment form in the enclosed envelope. It is donations such as yours that will make our Walk-a-Thon a true success and allow us to continue our excellence in education, which is rooted in our Catholic faith and values. Thank you for supporting St. Peter's School.

Many Blessings,

The 2017 Walk-a-Thon Committee at St. Peter in Chains School
