

If you are interested in volunteering in the school or church, please review the process below to become approved:

1. If you are interested, you will be required to complete the VIRTUS® Protecting God's Children Awareness Session. You can register for a session online at this link: <http://www.catholiccincinnati.org/ministries-offices/safe-environment-for-children-and-youth/virtus-awareness-session/>
2. Once you have taken this class and are given a sign in to the Virtusonline.org site, you need to take the online background check through Selection.com (which costs \$25)
3. After these two things are completed and you are approved, you will receive monthly bulletins emailed to you from Virtusonline.org. You will be required to read a passage and take a 1-2 question quiz. You will need to stay current on the monthly bulletins in order to volunteer in the school or parish.

The school and parish are required to check Virtus status every time we need volunteers. If you get behind 3 bulletins, you will become inactive and are required to take the 3 hour class again.

If you have any questions, please let me know. This is a lot to take in, but please know the school and church does this in order to keep all of our students safe.
