

Dear Family, Friends, and Fellow Parishioners,

St. Peter in Chains EPIC will once again be sponsoring our 10th annual Walk-a-Thon on Thursday, October 11th. St. Peter's School continues to raise the bar in education. The goals of our Walk-a-Thon are to raise money for St. Peter's School and to encourage the benefits of exercise and healthy living.

I am asking you to support my efforts by donating to our *Walk on the Wild Side* campaign. You can indicate the amount you would like to donate by filling out the sponsor information. Please also send me a personal message of encouragement using the enclosed sticky note- don't forget to put my name on it! Your note to me will be displayed on my homeroom door. Simply detach the lower portion below and return it in an envelope with your donation and personal message. Return the envelope to St. Peter in Chains School, 451 Ridgelawn Avenue, Hamilton, Ohio 45013. Don't forget the stamp! You may also drop your donation in the collection basket at any weekend Mass at St. Peter in Chains or St. Julie Billiart. You can also donate online through our parish website. To donate online, please visit [www.stpeterinchains.org](http://www.stpeterinchains.org), click on Parish tab, then WeShare Giving, and follow to Walk-A-Thon. You can add my name in the comments!

With generous donations from our past Walk-a-thons, St. Peter's School has successfully created a wireless campus, supplied our school with several sets of Chromebooks and funded other school operating needs and improvement projects. Each student has directly benefitted from the Walk-a-thons and will continue to do so. Your support this year will continue to advance our technology program moving to a 1:1 ratio of Chromebooks for all students grades 3 through 8. This critical upgrade is expected to cost over \$20,000. With your help we can continue to support our students to provide them with the educational environment that will allow them to be the wild and wonderful creation that God made them to be. Thank you for your continued support of St. Peter's School, where our excellent standard of education continues to be rooted in our Catholic faith and values.

Many Blessings,

The Students of St. Peter in Chains
